

ADJUSTABLE IN
3 DIFFERENT HEIGHTS,
THE SCREEN CAN BE ARRANGED
IN CONTINUOUS MODULES.

The product is available
in **3 standard sizes:**

A_SAFER_60 L60XH84,5 cm

A_SAFER_67 L67XH84,5 cm

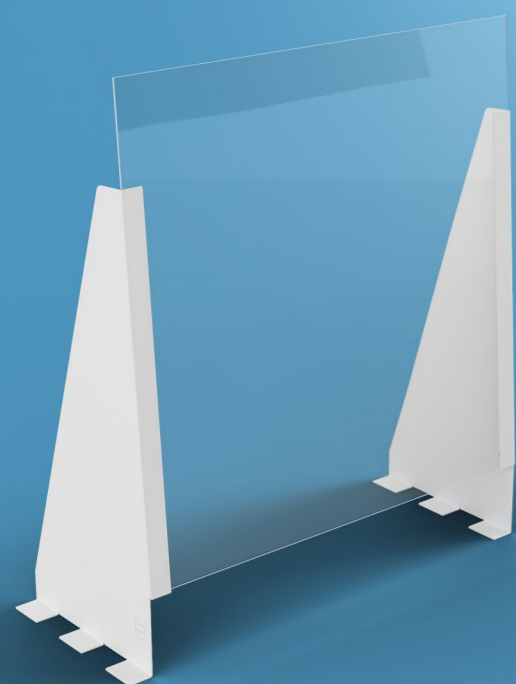

A_SAFER_80 L80XH84,5 cm

ANTIMICROBIAL SCREEN

PROTECT YOUR WORKSPACE

[A_SAFER]

It can be positioned on any counter or surface thanks to its self-supporting structure. This special screen **protects counter operators from contact with the public**, preventing possible exchanges of microbes.

The kit consists of **an acrylic panel** with **two metal sides**, white in color.
